QUESTIONNAIRE:

To ensure that this training is right for you and that you are ready to perform healing work for others in the training, Valerie asks that you fill out this questionnaire.

Have you taken a Beginning Shamanic Journeying Workshop? If yes, please list the date completed, location, and the name of your instructor.

How long have you been doing shamanic journeying?

How often do you journey?

Do you feel confident in your journeying skills? Why or why not?

How do you intend to use what you learn in this training program?

Why do you want to take this training?

For those considering the two or three year programs of study, are you willing to make a committment to this training, both personally and financially, and can you be present for all sessions?

You will be working closely with other students in this program and will sometimes be required to share personal experiences on a deep emotional level. This also requires a personal commitment to the sacred nature and confidentiality of the work. Please describe how you will take personal responsibility for your participation in the program, and how you will honor sacred space.

Please attach the description of a journey to a power animal or teacher in which you received an answer to a question. Be sure to include your question and your interpretation of the answer. (This helps Valerie make sure you have a power animal or teacher. Your journey will not be judged.)

Please attach a 1-2 page letter describing yourself as a person.

Thank you. Please return your completed application to:
